

Structure of the Institute

- Management apparatus
 - Headquarters
 - Director: Corresponding Member of the RAS Morozov S.G.
 - Scientific Supervisor: Academician Kubatiev A.A.
 - Deputy Director for Legal Services: Korotkov A.V.
 - Deputy Director for General Matters: Matveev B.V.
 - Scientific Secretary: Skuratovskaya L.N.
 - Secretariat
 - Head of chancery: Malova M.A.
 - Academic and Teaching Staff Training Department
 - Division Head: Karpova M.N.
 - Chief Postgraduate Relationship Specialist: Kuznetsova L.V.
 - Editorial and Publishing Unit
 - Head of Editorial and Publishing Unit: Irishkin D.A.
 - HR Office
 - Chief HR Officer: Sidorova S.A.
 - Accounting Department
 - General Accountant: Kulikova O.K.
 - Department of Material and Technical Supply
 - Supply Manager: Simikina M.V.
 - Warehouse
 - Warehouse Keeper: Nikulin Yu.N.

Department of General Pathology. Head of Department: Academician Shabalin V.N.

- Laboratory of General Pathology of Nervous System
 - Head of Laboratory: Krupina N.A.
- Laboratory of General Pathology of Cardiorespiratory System
 - Head of Laboratory: Tarakanov I.A.

- Laboratory of Angiopathology
 - Head of Laboratory: Orekhov A.N.
- Laboratory of General and Perinatal Neuroimmunopathology
 - Head of Laboratory: Corresponding Member of the RAS Morozov S.G.
- Department of General Pathophysiology. Head of Department: Lukyanova L.D.
 - Laboratory of Regulatory Mechanisms of Stress and Adaptation
 - Head of Laboratory: Malyshev I.Yu.
 - Laboratory of Bioenergetics and Hypoxia Problems
 - Head of Laboratory: Lukyanova L.D.
 - Laboratory of Chronic Inflammation and Microcirculation
 - Head of Laboratory: Kozhevnikova L.M.
 - Laboratory of Systemic Endotoxemia and Shock
 - Head of Laboratory: Yakovlev M.Yu.
 - Laboratory of Fundamental and Applied Problems of Pain
 - Head of Laboratory: Kukushkin M.L.
- Department of Molecular and Cellular Pathophysiology. Head of Department: Academician Kubatiev A.A.
 - Laboratory of Regulation of Blood Aggregate State
 - Head of Laboratory: Academician Kubatiev A.A.
 - Laboratory of Physiologically Active Substances
 - Head of Laboratory: Corresponding Member of the RAS Epshtein O.I.
 - Laboratory of Cell Biology and Developmental Pathology
 - Head of Laboratory: Saburina I.N.
 - Laboratory of Regulation of Reparative Processes
 - Head of Laboratory: Academician Dygay A.M.
 - Laboratory of Cognitive Dysfunction
 - Head of Laboratory: Strekalova T.V.
- Innovation Department.
 - Laboratory of Pathogenomics
 - Head of Laboratory: Braga E.A.
 - Laboratory of Nanopathology and Biomedical Nanotechnologies

- Head of Laboratory: Egorova E.M.
 - Laboratory of Physico-chemical and Environmental Pathophysiology
 - Head of Laboratory: Karganov M.Yu.
 - Laboratory of Biocrystallomics
 - Head of Laboratory: Shatochina S.N.
- Department of Research and Analysis. Head of Department: Kozhevnikova E.N.
- Auxiliaries
 - Clinic of Experimental Animals
 - Supervisor: Sviridkina N.B.
 - Engineering and Maintenance
 - Senior Engineer: Matsievskij D.D.
 - Department of Information Security
 - Senior Engineer: Stepanov A.B.
- Center for Collective Use of Precision Scientific Equipment
 - Supervisor: Moskovtsev A.A.
